and \_\_\_\_\_ (Employer) with respect to  
employment practices on the Rosebud Reservation on South Dakota Department of  
Transportation Project Number \_\_\_\_\_.

1. EMPLOYMENT PRIORITY

The TECRO Director will be given at least twenty-four (24) hours' notice to locate and refer a qualified Indian applicant for any vacancy or new position. If the TECRO Office is unable to fill the vacancy, an employer may recruit and hire workers from whatever sources are available to the contractor and by whatever process the contractor so chooses, provided that the contractor will notify TECRO of any job vacancies, positions, or any negotiated positions. The Tribal TECRO office will use its Job Skills Bank to assist the employer in meeting the stipulated hiring goal for this project.

TECRO will maintain a Job Skills Bank, listing available resident Indian applicants by job classification based on skill level as indicated on their TECRO application to be used to fill job vacancies, new positions, or any other negotiated position under this Agreement.

Employer agrees to consider hiring, either for a job vacancy or for new positions all available local Indians and Indian applicants who meet pre-employment standards.

2. PRE-EMPLOYMENT STANDARDS

For the purpose of this Agreement, pre-employment standards are those directly job related standards of fitness and ability which indicate that with a reasonable amount of job training a person would be capable of satisfactorily performing entry job as well as jobs at a higher level which, with a reasonable amount of further training, are normally filled by progression from the entry job. This provision applies to those persons who, at the time of application for employment, are not fully qualified for the available jobs but have general potential of becoming qualified through a reasonable amount of training.

Employer will not use qualifications, criteria, or other personnel requirements as barriers to Indian employment except where such criteria are required by business necessity. Employers will have the burden of showing that such criteria or requirements are required by business necessity.

3. TRAINING AND SALARY

The Employer agrees that all local Indians and Indian employees will be adequately trained for the position for which they are hired. The Employer will evaluate and pay all Indian employees in accordance with current employer company policy, TECRO policies, and contract provisions.

4. DISCRIMINATION

There will be no discrimination in wage rates, fringe benefits, hiring, or for other employment related activity on the basis of race, color, creed, age, sex, national origin, disability, or religion.

5. EMPLOYMENT GOALS

The Employer agrees Indians will be given preference for at least seventy percent (70%) of the skilled labor force and one hundred percent (100%) of the general laborers of project work force, as described in the Davis-Bacon Act Wage Decisions, Heavy-Highway scale, provided that sufficient qualified Indian applicants are available. The phrase "work force" will not include "core crew employees". The Employer will consult with the Tribal TECRO officials to locate qualified applicants for those positions.

The Employer (Prime Contractor) will require that subcontractors meet the Indian preference in employment requirements as specified in the preceding paragraph.

Nothing in this Agreement will be construed to interfere with the Employer's ability to dismiss any employee for cause including, but not limited to, lack of adequate skills or training, inability to perform by virtue of state of federal law, or breach of the contractor's standards of conduct.

Nothing in this Agreement will be construed as an admission or other concession on part of the Rosebud Sioux Tribe that the Tribe lacks jurisdiction or authority to impose any license, fee, tax, assessment, or make any other collection from a contractor, subcontractor, or person voluntarily entering upon the Rosebud Reservation or any of the Tribe's property wherever situated.
