

I-90 EXIT 14 INTERCHANGE 27TH ST & HWY 14A/COLORADO BLVD SPEARFISH, SD

Bulletin No. 10—August 1, 2016

The contractor has made good progress the last couple of weeks and is on schedule to open all lanes on I-90 and the eastbound on ramp by Wednesday evening, August 3rd. As of August 1st, eastbound traffic will be moved to the new eastbound lanes.

The traffic signal at the intersection of 27th St and Colorado Blvd has been activated for the Sturgis Rally. The interstate on and off ramps will be a three-way stop configuration through the Sturgis Rally. Flaggers will be on stand-by to help during peak traffic flows.

The project is approximately 25% complete. We greatly appreciate everyone's continued patience with the construction. Another great push will come after the Sturgis Rally through mid-November, at which time we will see the majority of Colorado Blvd and 27th St south of the structure complete.

Weekly project meetings will resume after the Sturgis Rally, starting Thursday, August 18, 2016, at 2:00 PM in the Hudson Hall (Room C), 222 W Hudson St, Spearfish, SD.

Road construction information for this project can be found at the following links as it becomes available:
